

MILAN

superior strength & timeless elegance

SHADE7
premium outdoor living

MILAN IS A COMMERCIAL GRADE OUTDOOR UMBRELLA, PURPOSEFULLY CREATED TO WITHSTAND SOME OF THE TOUGHEST ENVIRONMENTS.

Our newly designed commercial grade outdoor umbrella has been purposefully created to withstand some of the toughest environmental conditions. The Milan is a centre pole version of our upgraded Riviera HD cantilever umbrella, both featuring exceptionally strong fibreglass arms and fittings. The robust 50mm thick anodised aluminium centre pole gives the Milan the strength and stability it needs for exposed locations.

Perfect for coastal environments in both residential homes or busy commercial settings, the outdoor umbrella can easily be put up and down using a premium quality rope and pin system that uses highly durable stainless steel pulleys and rust-free components.

MILAN ADVANTAGES

- Rust free stainless steel pulleys and components
- 5 year residential back-to-base warranty on the frame*
- European made acrylic canvas fabric with 10 year warranty*
- Super strong fibreglass arms and fittings
- Heavy duty 50mm dia. 20 micron marine grade anodised aluminium mast
- Designed to withstand the toughest environments
- Stunning design using the finest quality materials

*5yr commercial
fabric warranty

COMMERCIAL QUALITY

The strength and durability of the Milan outdoor umbrella makes it ideal for commercial settings. The design of the Milan is based on over 20 years of experience gained while designing, engineering and exporting premium quality outdoor umbrellas to hotels and commercial projects worldwide. The Milan umbrella features a 20 micron marine grade anodised aluminium mast and fibreglass arms which will not rust. The umbrella is opened and closed using a high quality rope and pin system that uses heavy duty stainless steel pulleys that are made for commercial use and coastal environments. We also use the highest marine grade quality fabrics available for our canopies to ensure the longest life possible under the sun.

PRINTING & BRANDING

We can easily screen print your business logos and artwork onto your umbrella. Our superior printing techniques and technology provides deep and rich looking colours and accurate colour matching to your brand. We also use the best quality inks to ensure the logos last the longest possible amount of time with minimal colour loss and fading.

ACCESSORIES

**45KG CONCRETE
FILLED BASE**

GALVANISED STEEL
PREMIUM BASE**

COVER BAG
Highly
recommended
and easy to use.
Will double the
life of your
umbrella fabric.

REMOVABLE IN-GROUND FITTING

For installation
in ground. Pipe
fitting can be easily
removed leaving
behind only the
flush ground fitting.

REMOVABLE SPIGOT SYSTEM

For installation
onto a wooden
deck or concrete
patio.

INSTALLATION OPTIONS

You can either use your umbrella with a freestanding base, or alternatively, you can install it using one of our removable spigot or in-ground fitting systems. The base plate is bolted down to a timber deck or a concrete patio and the removable spigot is then fixed to the base plate. You can also install two or more installation fittings to give you multiple umbrella locations for different seasons or events.

CANOPY FABRIC

EUROPEAN MADE, 100% SOLUTION-DYED, ACRYLIC CANVAS.

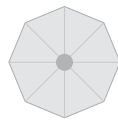

Our premium marine-grade fabric comes with a 10 year warranty and has the best available colour fastness rating of 7-8 out of 8*. It also has the highest possible rating of UPF 80, cutting out the maximum amount of harmful UV light for excellent sun protection.

**Colours with red colour pigmentation (red, orange, yellow etc) will have lower colour fastness than other colours and will show some fading earlier.*

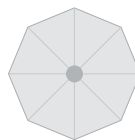

Dimensions

¹Measured from point to point. All measurements are rounded and are subject to change. ²Wind damage is not covered by the warranty.
